2014 Major League Baseball - All Star Game Gala

Mill City Museum and Minneapolis Riverfront

07.14.2014

The All Star Game Gala showcased culinary fare from our innovative restaurants Lurcat, D'Amico & Sons, and Masa. D'Amico Catering delivered a creative dining experience with restaurant quality food, beverage and service for 4500 guests. The D'Amico team is proud to have accomplished what 5 other catering companies did for last year's All Star Gala.

The Mission

A collaborative partnership was formed with the host team (Minnesota Twins) and Major League Baseball (MLB) to host the annual All Star Gala in conjunction with the MLB All Star Game. Chad Hudson events produced the Gala at Mill City Museum and Minneapolis Riverfront. D'Amico Catering created the culinary food fare and bar experience. Among the 4500 guests were representatives from MLB, team representatives from all 30 MLB teams including current and former players, MLB corporate sponsors, and sponsors and guests of the Minnesota Twins.

The Challenge

D'Amico Catering encountered numerous logistical issues. Due to inclement weather conditions, the entire event layout was restructured just hours before the guests arrived.

The Applause

"Thank you so much for reaching out and for sharing our photographer's shots from the event. I'm so happy with how everything turned out and know that Major League Baseball and The Twins were so overjoyed with how well the event flowed. This was certainly one of the best All Star Gala's to date: memorable, enjoyable and festive.

I really enjoyed getting to know and working with you and the entire D'Amico team. You guys are streamlined, efficient, professional and delicious! I very much look forward to finding ways to partner together when our business takes us to Minneapolis." - Jeff Consoletti, Chad Hudson Events
