## Giving Back

Commitment to our Community

Giving Back to the Community is a D'Amico Catering tradition. D'Amico Catering is a strong and consistent supporter of local and national charities. Our awareness of community needs and issues compels us to work with local organizations to donate, sponsor and promote charities that reflect our values and help those around us.

D'Amico Catering donates approximately \$300,000 annually to charity in the form of staff volunteer time, cash and food donations, sponsorships, fundraisers, galas and community partnership events.

Here is a sampling of our charitable contributions:

Each year D'Amico partners with the Susan G. Komen foundation to host a fundraiser through the Garden of Hope and Courage.

The Tour D'Amico bike ride is an annual Fourth of July event that raises \$3,000 each year to support state wide bicycle education and trail maintenance programs. We partner with Hiawatha Bike Club.

The Appetite for Life fundraiser has been sponsored annually, and for the past 11 years, by D'Amico Catering and Larry D'Amico, to benefit those struggling from gambling and addiction.

Crisis Nursery works to end child abuse and create healthy families. Our event planners and staff volunteer their time to make breakfast for these children in need.

In 2014, in partnership with Event Lab, we co-created 9000Cans, a Saint Paul community event to benefit Second Harvest Heartland. Participants donate non-perishable goods and participate in a contest to create mini golf course designs out of 9000 cans. All cans were donated within 2 days of the event to make meals.

Feed My Starving Children is a non-profit committed to feeding hungry children. Our staff volunteers during the holiday season to help with meal creation.
